Last Updated Tuesday, 03 February 2009

The UXPL Staff has evaluated the current economic climate and will not be running a full league in 2009.

If there is enough team interest we may run an event, if that happens we will notify all registered UXPL.com users.

All UXPL bunkers and fields are in storage and ready for use, if you are interested in purchasing bunkers, netting, air systems or any UXPL assets please contact [Allen.Turner@gmail.com](mailto:Allen.Turner@gmail.com)

If you are interested in UXPL Photos I have setup a separate photo website for storage, you can order t-shirts, reprints and lots of great stuff. at <http://paradoxgames.shutterfly.com>

Thanks for the great times from 2003 to 2008, we hope the economy turns around.
